Congratulations to the winner of the Video Contest at the 11th World Bamboo Congress in Mexico : DR. MY HANH DIEP from Vietnam. We also wish to thank all of you for sharing here your projects from 20 different countries.

Our Jury has chosen to support the Phu An Bamboo Village, raising a new generation of Bamboo lovers since 1999. This project, a research facility that focuses on sustainability and bamboo conservation, houses more than 300 different varieties of bamboo, including endangered species.

Nobody loves bamboo like the way Dr. Diep Thi My Hanh loves bamboo. In 1999, she founded the Phu An Bamboo Village, a research facility that focuses on sustainability and bamboo conservation. The village currently houses more than 300 different varieties of bamboo, including endangered species.
